AIDE		My only concern is that Virginia has no official status with Loyola. She may push you and may may accept reluctantly. An opportunity for another sharply focused talk on the Law & Intelligence? - like see me in good session & potentially useful public platform to push legislation issues.
EA		good one - yes

Dear Virginea,

How good to hear from you again, and how thoughtful of you to think of me as a potential commencement speaker at Loyola Law School in May. I am, of course, delighted and honored to be considered. I would be most receptive to an invitation to speak at the commencement exercises, with the caveat that unforeseen events here in Washington between now and May might prevent my being there.

STAT

All the best.

Yours,

STANSFIELD TURNER
